RED SKIN

1960

FOREWORD

Duane Woodward, Mr. Senior

and

Lavon Tinney, Miss Senior

We, the Senior Class of Union School, are proud to present the 1960 REDSKIN.

This book represents a record of one year of our lives. Our friends, our activities, our scholastic triumphs, and even some of our failures are contained in these pages. Mostly it reflects a care-free time and yet, we will recall the serious side of school life when we remember this year.

These days have been the most pleasant and most exciting of our lives. Now they are just memories. . . memories which are to be cherished as long as we live.

Though time will pass, and we shall part, this book will be an unbreakable link in our chain of memories.

THE EDITORS' PAGE

Selma Crawford

"When you are old and gray and full
of sleep,
And nodding by the fire, take down
this book,
And slowly read, and dream....."

--Yeats

"All the world's a stage,
And all the men and women merely
players.
They have their exits and their
entrances;
And one man in his time plays many
parts,
His acts being seven ages."

--Shakespeare

THE YEARBOOK STAFF

Senior boys sold advertising.

Mrs. Dawson gave advice.

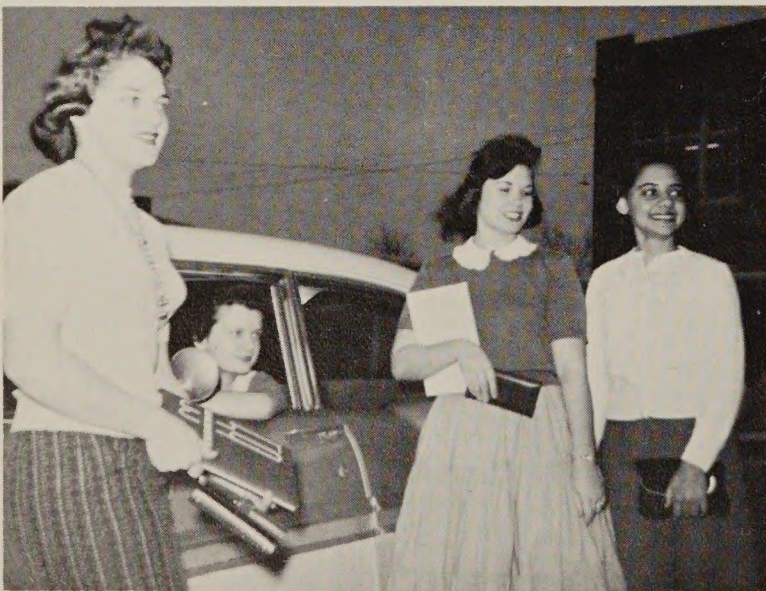

There were times like this!

Yearbooks were sold by the girls.

The boys brought home the money.

Broken Arrow was invaded by the girls.

Senior girls made the layouts.

Administration

ROBERT B. GROVE

THE SUPERINTENDENT SPEAKS

To the Students, Faculty and Patrons:

The 1959-60 school year will soon become a part of the history of Union School. This yearbook is a record of this history. We are proud of our school and we are proud of our yearbook. It reflects a heritage of pride, loyalty, diligence, and perseverance on the part of all Union students. Our school has met the high standards and has become a member of the North Central Association of Secondary Schools. Our graduates are accepted without question by any college in the country. We always have students who rank high on national tests. We have athletic teams which always give a good account of themselves both as players and as citizens. In fact, we have a school and a citizenry of which we can be proud. If this yearbook will be an inspiration to other students to aspire to make Union the very best school possible, its purpose will be fulfilled.

I personally wish to thank all persons connected in any capacity with the Union Public Schools for the wonderful cooperation which it has been my good fortune to receive in my fifteen years at Union. It is a pleasure to be associated with a community which has so many fine citizens, with a Board of Education that wants the very best for the school and the community, and with a student body that is proud of the Union tradition.

May the Seniors of 1960 fulfill all their ambitions! May they make a record to which we can proudly point and say, "They went to Union."

Sincerely,

ROBERT B. GROVE

THE PRINCIPAL'S MESSAGE

EARL H. BURTON

To the Seniors:

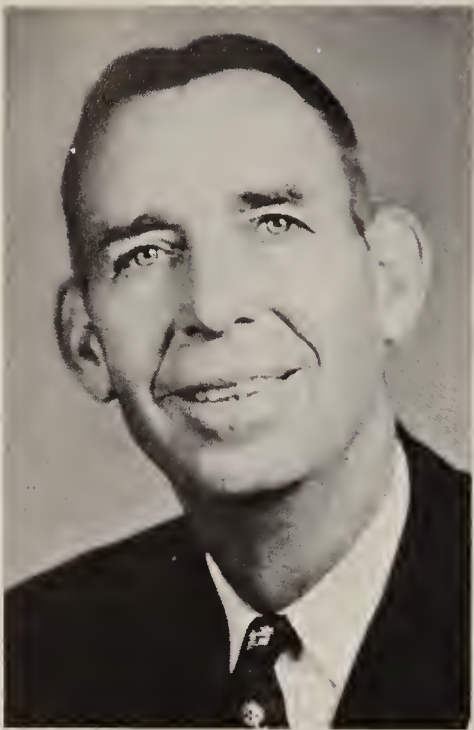

The publication of this yearbook reminds us that in a very short time school will be over for another year.

What the future has in store for you depends largely upon what you place in store for the future. Work hard for what you want and want what is right. Have faith in God, in your country, in others, and in yourself.

When you march across our stage and receive your diploma you become one of the many graduates from Union High School. It is my sincere desire that each of you will find all of the success and happiness for which you are searching.

Sincerely,

EARL H. BURTON
